## FATHER JACQUES MARQUETTE

(1637-1675)

Father Marquette, an advocate of Catholicism, continues to live on and inspire every Noll Warrior now, as he did the Indians of old. The inspiring Blackrobe paved the way to Christianity in the wilderness with his prayers and sacrifices. He died at the age of thirty-eight years, leaving all of his wonderful works behind.

His pure character and lofty aims gave him a powerful influence over the Indians among whom he labored. Such should be, and is, our pattern of life.

We, the Warriors, also fighting our way under the guidance and leadership of Father Junk, are trying to spread our faith as Father Marquette so capably succeeded in doing.

As Tommy Hawk looks up to Father Marquette, so do all the students of Noll.

*Marilyn Buckley*

*Dedication*

We dedicate this book in loving memory to a deceased friend and classmate, Marilyn Buckley, who died March 23, 1947.

Marilyn was a typical Noll Student who set an example for many by her friendliness and wonderful school spirit.

## *Bishop Noll*

MOST REV. JOHN F. NOLL, D.D., L.L.D.

Bishop Noll, born in Fort Wayne in 1875, was educated at Saint Lawrence College, and ordained in 1898. He received his L.L.D. from Notre Dame in 1917 and was consecrated Bishop of the Fort Wayne Diocese in 1925. The Bishop was instrumental in organizing the Legion of Decency, the National Organization of Decent Literature, and is the founder of "Our Sunday Visitor", the Diocesan newspaper. It is with his help, spiritually and materially, that we students of Bishop Noll are now enjoying the advantages of one of the most modern high schools in the Calumet Region.

# We Follow

His first visit to Noll was an exciting and gay adventure for  Naturally, he toured the campus in the company of Seniors. Tommy found that they dedicated the  to their departed classmate, Marilyn Buckley. He next met  Noll's faculty of loyal priests, nuns, and lay teachers.

The   Tommy was told, (by a Senior of course) have successfully completed 4 years at  As Freshmen they were gay, jolly, and fun-loving students. The Sophomore year found their heads high in the clouds. During the Junior year, their hearts were light and gay; now, as Seniors, they walk as kings and queens of the Alma Mater.

The  proves they were not idle. As Tommy went through the underclassmen sections, he knew that they were soon to follow in the Seniors' footsteps.

Tommy was given conclusive proof of the '49'ers interest in social and school clubs, after he attended a few meetings and a Friday night dance.

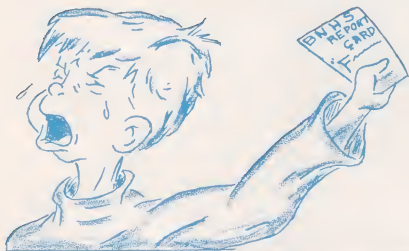

Last but not least is "King Sport," dear to all at Noll. Here    show their sportsmanship, as well as their loyalty to Noll.

And Lo! The  first love is basketball! Here in the  you will have the opportunity of viewing Noll through the eyes of

Have fun!

## TOMMY HAWK MEETS OUR PRINCIPAL

A friend to all, ready and willing to co-operate with the students is our principal, Father Junk. Always with a million things to do, he still seems to find time to stop and talk with the students.

Father Junk was born in Fort Wayne in 1906. He attended Central Catholic and later went to a boarding school. He entered St. Gregory's Seminary and later transferred to Mount Saint Mary's in Cincinnati, Ohio. He was ordained in 1933 and was appointed principal of Catholic Central in 1939.

Ever since then he has worked hard and long to build a bigger and better Catholic High School in the Calumet Region. Today—because of his tireless efforts, we can really be proud of our school. Although he has twice as many responsibilities as he had before, you will always see him with a pleasant smile, a willing hand, and a cheery greeting for everyone.

## *Fr. Junk's Secretary*

Gertrude Makowski is one office girl in a million—always ready to lend a helping hand with a ready smile! Ask Father Junk, he will vouch for "Gert" anytime.

## *Office Girls*

TOMMY HAWK'S TOUR OF NOLL JUST WOULDN'T BE COMPLETE UNLESS  
HE STOPPED IN AT THE OFFICE!

Our bookstore would be lost without her. She's always willing to help. When locker keys are lost, she cheerfully sells another. Have you guessed who she is? Yes, it's Ann Deistler!

Shirley Tilton, known to all as "Tillie", is one of our able office workers. Her smile greets all in a most friendly manner. "Tillie" is always willing to help in any way to better her Alma Mater.

GOES TO CLASS

# Class History

In September, 1945, the largest class to date enrolled at Catholic Central High School. It was a new and exciting experience for all of us—250 strong . . . but the class of '49 was soon in step with the rest of the student body. They contributed members to the Varsity Football and Basketball teams—this was a great joy to our class. But, the most outstanding event of the year was the beginning of our new building—The NOLL OF THE FUTURE.

We started our sophomore year with utmost confidence in our ability to keep up our fine record. This year was headed by a new name for the school. It was now called Bishop Noll High School, in honor of the Bishop of Fort Wayne. The Annual Sophomore Dance which was initiated by our class was held early in the year. At the dance, a trophy was presented to the most valuable player on the football team, Richard Hill.

As our school grew, so grew our activities. The National Honor Society, Camera Club, and the Student Council were born here at Noll. Our athletic ability was climbing to heights unknown.

1948! Ah! Seniors at last!

## SENIOR CLASS OFFICERS

STANDING, LEFT TO RIGHT: B. Method, P. Johann, P. Yatsko, W. Kowalski, L. Kolbus, J. Angyus.  
SITTING, LEFT TO RIGHT: G. Adams, J. Seyda, E. Carnowski, C. Coddington.

Our school has grown to be one of the leading schools in the region. It has become necessary for us to have more activities to organize our forces. From these needs grew our Pep Club—the cheering force of Noll. The next club organized was the Prop and Publicity Club. The duties of the members are designing, making, and caring for scenery, taking care of the stage, and making posters. The much discussed student council was ready to start work in '48. In late November elections were held. In the capable hands of Jerry Adams and her officers rests the future of the council.

We all agreed that being a "Senior" was simply the best thing that could even happen to anyone. Now that June is fast approaching, we suddenly realize that soon we must part. We must say good-bye to Noll and all the things that it has meant to us for four wonderful years.

## *Valedictorian*

The faculty and students salute Martha Maris as Valedictorian of the Class of '49.

Martha claims first honors as a member of the National Honor Society. She was also an active participant in the Tri-Opus.

Following graduation, Martha plans on entering the College of Saint Francis, Joliet, Illinois.

## *Salutatorian*

Congratulations are in order for Michael Pavlina upon securing the salutatory honors.

"Mike" was a charter member of the National Honor Society, a class officer in his junior year, and an active member of the Bi-Phy-Chem.

Next year "Mike" will further his education at Loras College in Dubuque, Iowa.

The Bi-Phi-Chem, a scientifically minded organization, representing the biology, physics, and chemistry classes, had a very active year under the fine leadership of their sponsor, Sister M. Edward.

Some of the activities sponsored by this club were Columbus Capers, the Science Fair, and their annual trip to the Chicago Museum.

The Bi-Phi-Chem, in its own way, is preparing and training future scientists of the world.

## *Student Council*

The Student Council became effective with an extensive campaign and election of officers in November, 1948. Under the able and untiring efforts of Coach Frank Ciszczon, the faculty advisor, the Student Council has accomplished many things. It succeeded in its main objectives, which were to create better co-operation between faculty and students, and also to inspire a friendlier atmosphere throughout the school. "The present Student Council," says Tommy Hawk, "has laid a firm foundation for the Council activities of future years."

The Tri-Opus, organized here at Noll in 1940 for the purpose of spreading interest in the commercial subjects, has functioned well this year under the guidance of Sister M. Holy Innocents.

The members showed ability in their business courses by maintaining "above average" grades throughout the year.

The Christmas season was high-lighted by the annual winter formal, The Snow Ball. Hidden talent is brought to light in the annual amateur shows sponsored by the Club.

Tommy Hawk agrees that here is an active, thriving club.

The Red Cross Club has been re-organized this year at Noll. It has become a larger and more active organization, and boasts of a membership of approximately one hundred and fifty girls.

The entire student body is enrolled in the Hammond chapter, and the organization is taking an active part in helping wherever and whenever it is needed.

Under the capable sponsorship of Sister M. Rosalia, the girls have doubled their quota of packing foreign gift boxes. A new Red Cross Room has also been added this year to take care of minor injuries and accidents that occur at school—another feather in the cap of the new Noll.

Looking over the situation.

## Marquette Staff

Co-editors Pat Johann and Jim Martin produced this year's MARQUETTE in record time through the splendid co-operation of the staff and the assistance of the sponsors.

Early in the year they invited Tommy Hawk to visit our school, and thus the theme—A Day At Bishop Noll—was created.

The entire staff hopes that you will enjoy the book as much as they enjoyed publishing it for you.

## Warrior Staff

J. COLE, M. E. GRIFFIN

Through the past year the Junior Journalism class edited and printed the Noll High School newspaper, "The Warrior." With co-editors Jeanine Cole and Mary Elizabeth Griffin leading the way, the staff worked hard to produce a paper that would be a credit to the school and the staff. Tommy Hawk read every issue of "The Warrior", that the present staff has printed, with an interest that signifies the success which the paper has attained.

## Camera Club

The Camera Club, under the capable direction of Sister Mary Edward, strives to promote an interest in photography. The enthusiastic members, anxious to prove their ability, launched their project early in the year. At Christmas time, the members were able to offer the students Christmas photo cards to send to their friends. Not a gigantic project, but you must admit it is a wonderful beginning!

## Mission Society

Every student at Noll is enrolled in the Mission Society. Its officers under the leadership of Sister Xavier Threse are doing a fine piece of work in aiding the American and foreign missions. The Students are not only praying for the missions, but are also giving money, cancelled stamps, and other donations for their benefit.

Every first Friday a mission program is given to encourage active participation in the Mission Crusade.

### Mothers' Club

The Mothers' Club was organized for the sole purpose of advancing co-operation in activities between the Mothers and the students of Noll High. They have certainly attained this purpose.

Under the competent leadership of the president, Mrs. Frank Pfister, our Mothers sponsored the Sisters' Pantry Shower, several bingo parties, and contributed aid to the Annual Bazaar. To complete their activities, they honored the graduating class at the Senior Banquet in June.

### Fathers' Club

During his visit to Noll, Tommy Hawk heard of the Fathers' Club's numerous activities of this past year. Following the very able direction of Mr. R. H. Austgen, President, our fathers sponsored the enjoyable Annual Athletic Banquet, and made it a popular affair. They were also especially helpful in the success of the Bazaar.

"We owe much," Tommy Hawk concludes, "to our Father's Club. It has generously contributed to the welfare of Noll Warriors."

Noll has hopes of some day having the largest and best-dressed band in the region. With the whole-hearted co-operation of the students, this day should not be far off.

Our Choral Club, under Reverend F. Melevage's direction, has gained for itself a well-known reputation . . . by singing at hospitals, local stores, Mothers' and Fathers' Club Meetings, spring concerts, operetta and its Christmas program. The members, totaling almost sixty strong have done a splendid job. They have an assorted variety of numbers ranging from our everyday melodies to the semi-classics. Palestrina, Breen, and Brahms, are just three of the great composers of music in the Choral Club's repertoire.

Another year has passed and another page has been added to the Choral Club's album of success.

The G.A.A. does not restrict itself only to girls' sports, but also helps to sponsor other worthy activities. They help with the Homecoming, have a Christmas party, a paper drive, and a benefit for the Settlement house, as well as a farewell party at the end of the school year.

The members, under the sponsorship of Miss Herod, have succeeded in making the G.A.A. an active organization.

It was proven to be a spirited organization when it showed its interest in crowning the King and Queen of the Homecoming. The Pep Club also has an active group which ushers at many of the school activities.

Unity is its goal. It has been a tremendous force in promoting better school spirit. Still an infant organization, it has succeeded in injecting this "new spirit" of Noll in'to every student from the greenest freshman to the mightiest senior.

## PROP AND PUBLICITY OFFICERS

LEFT TO RIGHT: D. Kulik, T. Senese, M. Keating, R. Partyka.

Did you see Tommy Hawk carrying that poster? He must have joined the Prop and Publicity Club!

This active club was organized last September as the result of the crying need to care for our stage and scenery. Posters were made not only to advertise coming social events and games, but also to remind the students to keep order on the school campus.

Having the Prop and Publicity Club assume these responsibilities has been of great help not only to the faculty, but also to the various school clubs.

## Football

In the fall of 1948 the Noll High School "Warriors" had one of their most successful football seasons in the history of the school. Thanks to Coaches Keane and Buckley, the team was in splendid condition for the games throughout the season, as its record indicates.

The opening game showed Noll fall short, losing 19 to 13, to Thornton Fractional. However, the Warriors staged a comeback in the next four games crushing South Bend Catholic, 18 to 0; Fort Wayne Catholic, 37 to 12; Griffith, 26 to 0; and Joliet Catholic, 31 to 7. A slightly stronger Saint Bede Eleven defeated the Warriors, 14 to 0, in the sixth game. Again the Warriors came back to roll past Benton Harbor, 13 to 6. The Homecoming game, played before a large, cheering crowd, proved to be a thriller when Noll rallied to tie the game 14 to 14 in the fourth quarter, and finally to score a long-run touchdown in the last two minutes. The final score was Noll 20, Hammond Tech 14. Thus the Warriors completed their season with a record of six games won and two lost.

As the only undefeated team in Hammond competition, the Warriors merited the title "City Champs."

## Basketball

The team, put into fine shape both physically and mentally by Coaches Duax and Buckley, showed they were ready for a great season, by beating Joliet Catholic 55-43 in the first game of the season. The next three games were lost by close margins; to Hammond Tech 48-47; to E. C. Washington 47-41; and to Blue Island 58-52. All these losses came in the last few minutes of play. The Warriors then beat Dyer and lost to Chesterton, before beating previously unbeaten Merrillville 45-44. The Warriors traveled next to Brazil where they lost 54-45.

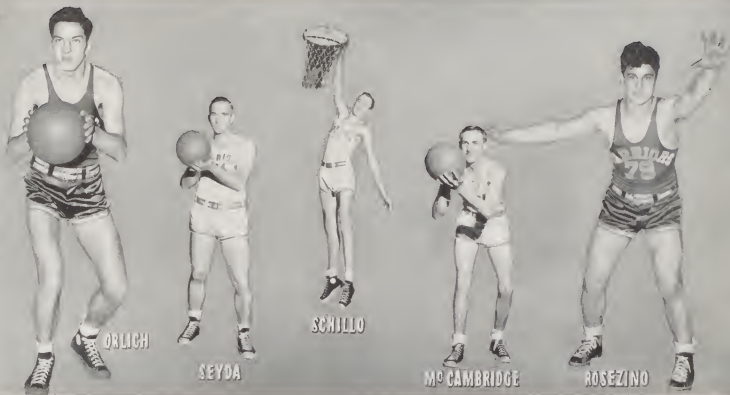

In the "Holiday Tournament" the Warriors were not to be denied. They triumphed over heavily favored E. C. Roosevelt to the tune of 53-49 in the most closely contested game of the tournament. They, however, lost to powerful Hammond High 53-43, before beating favored Peru 52-47 for third place in the eight-team tournament.

The Warriors then lost to Washington Catholic, but Noll was later awarded the victory by forfeit. In the following game, the Warriors lost to Whiting in an overtime 73-66 in one of the hottest and highest scoring games of the year. The Warriors won their next four games, trouncing S. B. Central Catholic 51-43; Albany 54-48; Gary Roosevelt 52-49; and St. Marys of Huntington 56-49; before losing to Benton Harbor, Michigan, 60-41.

Sacred Heart of Indianapolis went down before the Warriors, 59-47. However, the next game at South Bend Adams showed the Warriors losing 77-61. The Warriors won their last game of the regular season beating Griffith 61-55.

In their first game of the sectionals, the team beat Crown Point 47-43; earning the right to play Hammond Clark. The Warriors, however, were out of the sectionals when they lost to Clark 81-43.

This season's basketball record is 13 won—10 lost.

**TOM MATOVINA**—Small but mighty, "Zoots" has proven himself to be a great clutch player.

**JOHN DERMODY**—Leading scorer for the past two seasons, "Derm" ranks as one of the outstanding players in the region.

**BILL OLSON**—Tallest man on the first five, "Ole" filled the pivot position most capably throughout the season.

**BILL McCAMBRIDGE**—Although not big, "Mac" gets more than his share of rebounds and tip-ins.

**JOHN SEYDA**—Rating high in defensive play, John is also an excellent rebounder.

**GEORGE SMOLAR**—A hustling ball player, "Smokey's" aggressiveness marks him as one of the best defensive men in the district.

**PAUL RANZINO**—Already an excellent ball-handler and play-maker, Paul has three more years in which to prove himself.

**ROBERT SCHILLO**—Tallent player on the team, Bob has made good use of the extra height he possesses.

**JOHN ORLICH**—John fills in wherever needed, with aggressiveness and familiarity.

**GERALD STUPECK**—An able substitute and a good rebounder, Jerry will be eligible for two more years of varsity competition.

## *A Word of Appreciation*

We are deeply grateful to the Alumni of Hartnett College, whose splendid records in business have made possible our growth and success as business educators. The distinction our young men and young women have brought to us is greatly appreciated.

We invite into membership with us other young men and young women who may wish to follow in the steps of those who have achieved success and happiness in preparing for their life's work in our school.

## *We three*

Seeing much, suffering much, and studying much, are the pillars of learning.

Benjamin Disraeli

To become an able man in any profession, there are three things necessary: Nature, Study, and Practice.

Aristotle

We think according to nature; we speak according to rules; we act according to custom.

Francis Bacon

Good breeding is the result of much good sense, some good nature, and a little self-denial.

Lord Chesterfield

Self-reverence, self knowledge, self control; these three alone lead life to sovereign power.

Alfred Lord Tennyson

I am not afraid of tomorrow, for I have seen yesterday, and I love today.

William Allen White

Some read to think, these are rare; some to write, these are common; some to talk, these are the majority.

Charles C. Colton

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office for National Statistics 1999). The number of people aged 85 and over has increased by 0.5 million in the same period.

There is a growing awareness of the need to develop services to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for ageing, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: to promote independence, to support families and carers, and to improve the quality of care.

The strategy also sets out a number of key objectives, including: to reduce the number of people who are dependent on others; to increase the number of people who are able to live independently; to improve the quality of care for older people; and to ensure that older people are able to participate in society.

The strategy is a key document for the development of services for older people. It provides a framework for the development of services, and sets out the government's commitment to improve the lives of older people.
